

Employment Opportunity: Head Platform Tennis Professional

Are you an experienced and enthusiastic paddle professional? Picket Post Club, located in Chesterbrook, PA, is seeking a motivated and engaging individual to lead their Paddle Program! This highly visible role requires leadership, strong communication skills, and consistent in-person presence to effectively manage and enhance the paddle facilities and activities at our club.

Position Overview

The individual will lead a program consisting of approximately 130 paddle players. The program includes 4 men's teams, 6 women's teams, weekly organized men's, women's, and mixed play, special events for members, and tournaments. Responsibilities include organizing and executing practices, clinics, and lessons.

Key Responsibilities

- Ensure smooth daily operations of paddle activities while providing an environment consistent with the Club's values.
- Develop a comprehensive program for events and activities, including social gatherings, round robins, competitive play, and instructional sessions for all skill levels.
- Communicate events and activities enthusiastically to promote member participation and foster a sense of community within the Club.
- Coordinate all men's and ladies' programs and tournaments, establish a junior program, and provide organizational support for league teams.
- Serve as the Club's representative in collaborating with MAPTA and distribute league information to members.
- Inspect and maintain paddle court areas, decks, paddle hut, and Bradford House to ensure cleanliness, safety, and necessary repairs.
- Enforce Club Rules and Regulations regarding facility use, equipment, dress code, and sportsmanship.

About You

- Possess an outgoing and engaging personality with a dedication to expanding platform tennis programs.
- Demonstrated experience in racquet sports, particularly platform tennis.
- Exceptional organizational, communication, and leadership abilities.
- Committed to delivering outstanding member experiences.

Join Picket Post Club and become part of a team focused on providing high-quality paddle experiences for our members. Apply now to advance your career as the Head Platform Tennis Professional.
